

Manhattan, New York

POSITION: DERMATOLOGIST

Forefront Dermatology is seeking a full or part-time general dermatologist to join an existing practice in Manhattan, NY. This location provides a loyal and established patient base and great opportunity for continued growth. You will practice with another dermatologist, and a team of nurse practitioners. There is also an opportunity to perform cosmetic procedures at this location.

With Forefront Dermatology you have personal and professional autonomy with the security of a large single specialty practice behind you.

JOB DETAILS

- Flexible schedule, 4-5 days per week
- Competitive base salary
- Generous signing bonus
- Uncapped productivity bonus
- Shareholder opportunity
- Relocation assistance
- CME reimbursement
- Generous benefits, time-off & retirement

ABOUT MANHATTAN

Is New York City calling you home? Life in New York City is an energizing, fast-paced, and life-changing experience. Living in Manhattan offers residents a dense urban feel. Though many assume that Manhattan is just full of high rise buildings and office spaces, there are dozens of neighborhoods around the borough that offer varied styles of living and affordability. Public Schools in Manhattan are some of the best in the city. The 'District Two' Schools, as they are zoned, are considered the highest ranked public schools in the city.

Don't limit yourself to just Manhattan though! Though Manhattan is a wonderful place to live, lots of Manhattanites fail to visit the rest of the city. There are tons of areas to explore within the city outside of Manhattan. For a fun day trip, venture to Staten Island via the ferry or the Bronx Botanical Garden in The Bronx, or try some Greek food in Astoria, Queens.
