YOUR SKIN
WITH MICRONEEDLING

\$500
FOR PACK OF 3 TREATMENTS

\$175
FOR ONE TREATMENT

A procedure that essentially pokes tiny holes in the skin's surface, creating a "micro-injury" that encourages the skin to stimulate collagen production. Once the collagen production begins, it fills in fine lines and plumps the skin to create a more youthful appearance.

**Schedule your appointment
with Kelsey Harner, NP!**

Sale ends 3/31. Valid at Forefront Dermatology — Fort Wayne, IN with Kelsey Harner, NP only. Cannot be combined with other offers. While supplies last.
