

COME AND JOIN US AT OUR

# SCULPTRA EVENT

Our Sculptra representative will be onsite to meet with patients and introduce the benefits of Sculptra—an innovative way to restore volume and rejuvenate your appearance.

This is a great opportunity to learn about how Sculptra can work for you, ask any questions, and plan your next steps. While you won't receive treatment during this visit, you'll have the chance to schedule a separate consultation with Dr. McDaniel.
