your skin
with Microneedling

\$100 OFF

3 Treatments

(\$600 Value)

1 treatment for \$175

A procedure that essentially pokes tiny holes in the skin's surface, creating a "micro-injury" that encourages the skin to stimulate collagen production. Once the collagen production begins, it fills in fine lines and plumps the skin to create a more youthful appearance.

**Schedule your
appointment with our
dermatologists today!**
This special is only
available for a limited time.

*Must be purchase in the month of May. Valid at Forefront Dermatology—Fort Wayne, IN only through 5/31/22.
Cannot be combined with other offers. While supplies last.
