

Specialty Services

COOLSCULPTING

CoolSculpting is an FDA-cleared, non-surgical procedure that eliminates stubborn fat safely and effectively, without downtime. It can be used in men and women to help reduce the appearance of fat. CoolSculpting can treat love handles, muffin tops, upper arms, upper inner thighs, upper outer thighs, bra fat, back rolls, under the buttocks and double chin! Complimentary consultations and package pricing are available.

BOTOX, DERMAL FILLERS & IPL LASER TREATMENTS

These specialty services are currently offered by our providers at our Forefront Dermatology clinic next door. We can also customize a group event for you and your friends. Prices available upon consultation.

PHARMACEUTICAL GRADE PRODUCTS

We offer a variety of pharmaceutical grade skin care products.

Consultations

Take the first step to achieving your skin care goals. We offer complimentary consultations to address your specific concerns from skin rejuvenation to chemical peels to finding the right make-up shade. Call us today, we can help!

Monthly Specials

Check out our monthly specials on cosmetic products and services! We offer our clients great deals on a variety of services that change every month, so be sure to keep an eye out for our latest offers!

Package pricing is available for most services. For more details on pricing or the services listed in this brochure, contact one of our skincare experts at 515.223.0728 to discuss!
