SKINPEN MICRONEEDLING WITH ZO ACCELERATED SERUM

Single treatment for \$310 (\$366 value) | Package of 3 for \$900 (\$1098 Value)

Firming Accelerated Serum

When used post-treatment, Firming Serum Accelerated supercharges the skin's rejuvenation process and works to improve the appearance of sagging and skin laxity.

Redness Accelerated Serum

Infused with proprietary ZO-RRS2® complex, ZO® Rozatrol® Serum Accelerated is a boosted concentrate that amplifies professional services + treatments. Designed specifically for red + sensitized skin, Rozatrol® Serum Accelerated helps control surface oil while providing calming and soothing benefits.

Brightening Accelerated Serum

Featuring ZO's intelligent discoloration correction + skin tone evening technology, Brightalive® Serum Accelerated is a boosted concentrate that elevates professional services and treatments.
