

Meet Dr. Kent

Dr. Rhett Kent is double board-certified in dermatology and internal medicine. In addition to medical and surgical dermatology, Dr. Kent offers a comprehensive list of tailored, minimally invasive aesthetic treatments to preserve and repair the tone and texture of your skin. Treatments are offered both for anti-aging purposes, and to reduce the appearance of fine lines, wrinkles, pigmentation, redness and vascularity, scars, excess fat, and/or skin laxity. Dr. Kent prides himself on the results of his treatments and being there for his patients, not only during visits but in-between. With Dr. Kent you can trust your skin care needs and goals are in excellent hands.

Consultations

Are you interested in one of the treatments in this brochure but would like to learn more about the treatments and cost associated based on your particular needs and goals? Consultations are a great place to learn how we can help, allow us to explain treatments in detail and develop a skin rejuvenation plan specific to your needs and budget. Schedule a consultation with one of our skin care experts today!
