

COVID-19

Keeping Our Community Safe:

There is no higher priority for us than the health and safety of our patients and employees. We want to share the safety measures we have implemented in our clinic.

Preventative Safety Measures

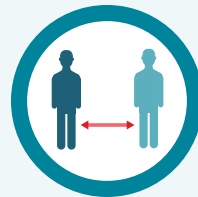

We are wearing masks and other protective gear

We have increased the frequency of cleaning and disinfecting of all surfaces

We screen all patients at time of scheduling and again at check-in

We are practicing social distancing throughout our clinic

We have implemented temperature checking for all providers and employees

We are practicing frequent and thorough hand-washing

Thank you for your cooperation and understanding!
