

# REVEAL YOUR RADIANCE

Actual DiamondGlow™ patient.

#### Indication and Use

The DiamondGlow™ device is indicated for general dermabrasion of the skin and also delivers topical cosmetic serums onto the skin.

Please see the back page for Important Safety Information and the SkinMedica® Pro-Infusion Serums disclaimer.

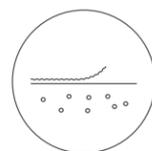

## DIAMOND GLOW™

DIAMOND  
GLOW™

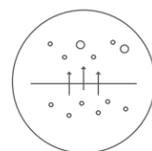

# MORE THAN A GLOW. A SKIN TRANSFORMATION.

Experience DiamondGlow™, a next-level, noninvasive skin-resurfacing treatment designed to work with advanced SkinMedica® skincare to deliver radiant, rejuvenated, and healthy-looking skin.

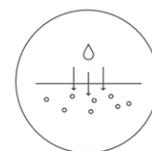

A DiamondGlow™ treatment simultaneously:

**EXFOLIATES**  
Precise diamond tip helps remove dry, damaged skin

**EXTRACTS**  
High-power suction deep cleans the skin's surface and pores

**INFUSES**  
High level of skin receptivity allows SkinMedica® Pro-Infusion Serums to deliver professional-grade results

## POST-TREATMENT, SKIN APPEARS:

- ✧ Brighter
- ✧ Fresher
- ✧ Healthier
- ✧ Smoother
- ✧ Clearer—with unclogged pores
- ✧ More even in tone

## AND BEYOND THE PROCEDURE, IMPROVED APPEARANCE OF:

- ✧ Fine lines and wrinkles
- ✧ Roughness and dryness
- ✧ Dark spots and discoloration
- ✧ Dull, congested skin

Actual DiamondGlow™ patient.

DIAMOND  
GLOW™

## OUR SIGNATURE WAND.

POWERED BY OUR 3X1™ TECHNOLOGY.

The transformative power of DiamondGlow™ starts in our signature wand. Built with our innovative 3X1™ technology, the wand simultaneously exfoliates, extracts debris, and infuses the skin with professional-grade SkinMedica® Pro-Infusion Serums, while pores are open and ready.

## THE DIFFERENCE IS IN THE DIAMOND.

Different diamond tips allow for treatment customization, based on your patient's skin. Each tip evenly abrades the skin at a controlled level for maximum efficacy.

# RADIANT RESULTS THAT LAST.

DiamondGlow™ treats the face, around the eye area, lips, and body. It is noninvasive with minimal downtime. Just 1 DiamondGlow™ session enhances clarity and luminosity. But what's better, your patients will see continued improvement with each treatment.

## INSTANT RESULTS

Unretouched photos. One treatment with SkinMedica® Pore Clarifying Pro-Infusion Serum (on face and neck) and SkinMedica® Skin Brightening Pro-Infusion Serum (around the eyes and lips). **Individual results may vary.**

## CONTINUED IMPROVEMENT

Unretouched photos. Results after 4 weeks following 2 DiamondGlow™ treatments with SkinMedica® Pore Clarifying Pro-Infusion Serum administered 2 weeks apart and a curated SkinMedica® skincare regimen. **Individual results may vary.**

Unretouched photos. Results after 6 weeks following 3 DiamondGlow™ treatments with SkinMedica® Skin Brightening Pro-Infusion Serum administered 2 weeks apart and a curated SkinMedica® skincare regimen. **Individual results may vary.**

# RESULTS THAT SHOW, NOW AND BEYOND.

# SKINMEDICA® PRO-INFUSION SERUMS.

DELIVERED BY DIAMONDGLOW™

## TNS® GROWTH FACTOR TECHNOLOGY

For almost 20 years, SkinMedica® has been delivering revitalized, age-defying skin with proprietary growth factor technology.

And now we're introducing **SkinMedica® TNS® Advanced+ Pro-Infusion Serum**, our most advanced growth factor technology. This powerful blend dramatically improves the visible signs of aging.

Choose from a selection of SkinMedica® Pro-Infusion Serums, depending on skin concerns, then match with the appropriate diamond tip. Pair with a customized, take-home skincare regimen for treatment results that last.

Signature  
SERUM

### SKINMEDICA® TNS® ADVANCED+

Targets coarse wrinkles, fine lines, sagging skin, and improves tone and texture.

## CORE SERUM COLLECTION

### SKINMEDICA® SKIN BRIGHTENING

Patented Lumixyl® peptide brightens, improving the appearance of uneven pigmentation.

### SKINMEDICA® ULTRA HYDRATING

An infusion of hyaluronic acid to rehydrate and smooth skin.

### SKINMEDICA® VITAMIN C

A deep dose of antioxidants to rejuvenate and protect.

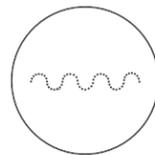

### SKINMEDICA® PORE CLARIFYING

Powerfully addresses imperfections, promoting clearer skin. Ideal for acne-prone skin.

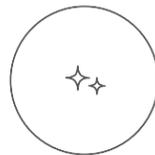

All of our SkinMedica® Pro-Infusion Serums are sulphate/sulphite-free, paraben-free, and fragrance-free.

# KEEP THE GLOW GOING AT HOME.

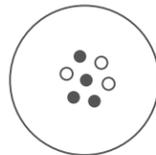

In clinical trials, a series of DiamondGlow™ treatments supported with a take-home SkinMedica® skincare regimen showed significant, visible improvements at 6 weeks and continued improvements at 12 weeks, in these areas<sup>1,\*†</sup>:

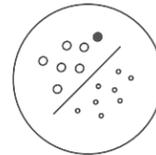

ROUGHNESS

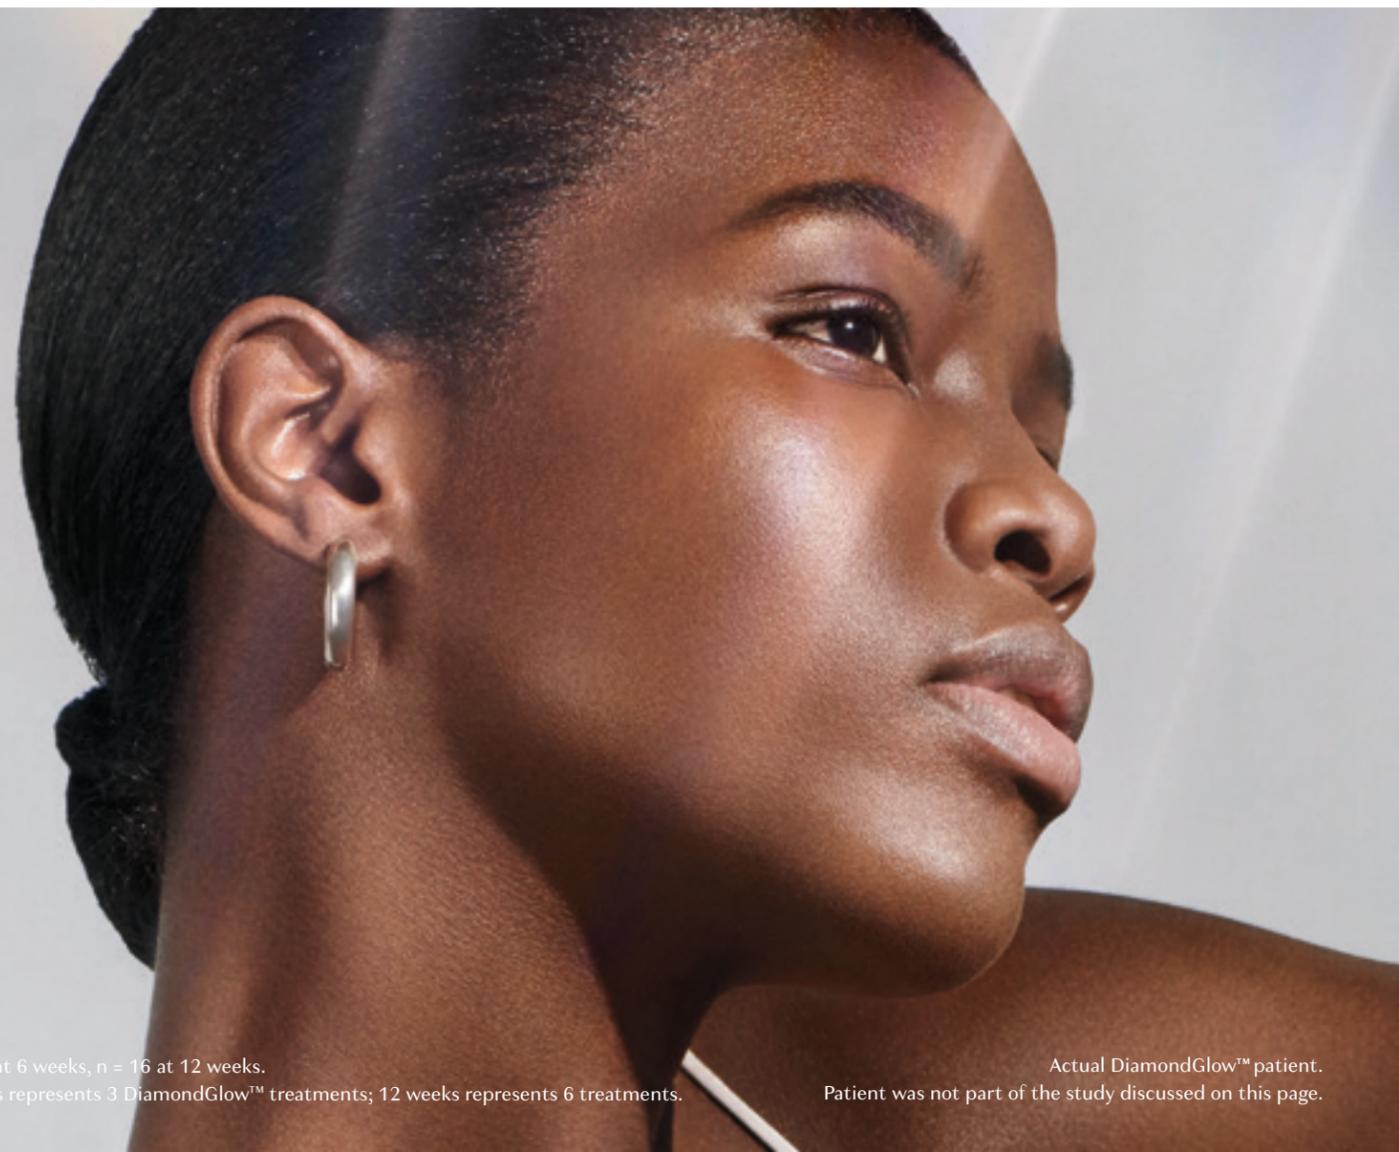

RADIANCE

HYPERPIGMENTATION AND PHOTODAMAGE

SKIN TONE UNEVENNESS

## SKINMEDICA® EXCLUSIVELY FOR DIAMONDGLOW™

A personalized, at-home skincare regimen, customizing your patient's needs, enhancing and extending their treatment results.

### SKINMEDICA® TNS® ADVANCED+

## A PREMIER AESTHETIC LOYALTY PROGRAM

Allē rewards your patients 150 points on DiamondGlow™ treatments for savings on DiamondGlow™, SkinMedica®, and other Allergan Aesthetics™ in-office treatments/products.

### **DiamondGlow™ Important Safety Information**

DiamondGlow™ is contraindicated in patients who have compromised skin quality including but not limited to, sunburned, chapped, irritated or broken skin, open wounds, active, weeping acne, cold sores, or herpetic ulcers. Ask your patient if they are pregnant or lactating or if they have any medical conditions, including allergies, and usage of topical medication on the area to be treated.

Typical side effects include a scratchy, stinging sensation during the treatment and temporary tightness, redness or slight swelling after the treatment. Rare serious side effects may also occur and include severe skin irritation and allergic reactions. Cease use of the device immediately if any of these serious side effects are observed.

Patients should be advised to use a sunscreen with a sun protection factor of 30 or higher following treatment.

Consult the DiamondGlow™ User Manual for a complete list of Contraindications, Warnings, Precautions, and potential side effects.

### **SkinMedica® Pro-Infusion Serums Disclaimer**

SkinMedica® Pro-Infusion Serums are intended to meet the FDA's definition of a cosmetic product, an article applied to the human body to cleanse, beautify, promote attractiveness, and alter appearances. These products are not intended to be drugs that diagnose, treat, cure, or prevent any disease or condition.

### **SkinMedica® Important Information**

**CAUTION:** Women should not use Retinol Complex if they are pregnant, lactating or planning to become pregnant.

**Sunburn alert:** The AHA/BHA Exfoliating Cleanser contains an alpha-hydroxy acid (AHA) that may increase the skin's sensitivity to the sun and particularly the possibility of sunburn. Patients should use a sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week following.

Most SkinMedica® products are intended to meet the FDA's definition of a cosmetic product, an article applied to the human body to cleanse, beautify, promote attractiveness, and alter appearances. These SkinMedica® products are not intended to be drug products that diagnose, treat, cure, or prevent any disease or condition. These products have not been approved by the FDA, and the statements here have not been evaluated by the FDA.

Patients depicted were treated on their faces and necks.
