## Beauty Begins with *Care*

It's never too early to start caring for your skin. Embracing your beauty means taking proactive steps to age gracefully. Since skin naturally begins to show signs of aging in our late 20s or early 30s, consistent skincare is essential from an early age.

Aging gracefully involves preserving your radiance through smart lifestyle choices, dedicated skincare, and, when desired, aesthetic treatments that enhance and celebrate your unique beauty.

## Skincare routine

Discover the elements of a complete skincare routine designed to nourish, protect, and rejuvenate your skin.

- ✓ **1. Cleanser**  
Gently cleanses pores and prepares skin for a hydrating regimen.
- ✓ **2. Vitamin C Serum**  
Antioxidant that protects skin from environmental stressors, brightens, and enhances protection.
- ✓ **3. Hyaluronic Acid Serum**  
Anti-aging serum that retains moisture, plumps skin, and reduces wrinkles.
- ✓ **4. Eye Cream**  
Nourishes and protects the delicate skin around the eyes, combating signs of aging.
- ✓ **5. Moisturizer**  
Infused with peptides and ceramides to nourish, hydrate, and maintain skin elasticity.
- ✓ **4. Sunscreen**  
Essential for protecting against sun damage, the primary cause of aging skin. Use SPF 30+ daily.
- ✓ **5. Retinoid**  
Vitamin A derivative that boosts collagen, reduces fine lines, and improves skin texture.
